Q If the Global South were to work in plural inclusive ways, it could make the world a better place for itself. examine.

In the era of Globalisation no country can fulfill their own needs. but in certain time ~~they~~ or in any conditions they have to work in a plural or inclusive ways.

U.S.A. or china wants to expand ~~their~~ themselves or creating hegeomony in the world in terms of economy as well as Military purposes

U.S.A → U.S.A military power is extending day by day ~~there is~~ no country can beat or give competition to U.S.A aswell as china too. but in the case of Ukraine russia war U.S.A back or pull itself it shows the weakness of powerful country.

There are many countries Not to trust on U.S.A for e.g → In Vietnam or afghanistan ~~U.S.A~~ matter. U.S.A

~~Create~~ made muddy situation there & this muddy soil still draining (Afghanistan).

~~like~~ Such countries like, Africa, U.S.A ~~when~~ pressured many times, but africa Govt. deny U.S.A involvement they much more ~~influen~~ influenced with China.

China → China creeping their policy & or create expansionism, → "grey zone policies" they violate maritime zones in the South-China sea which include vietnam, Indonesia India etc. But southern countries would not like to be a part of it.

China extending its dept trap policy in case of Srilanka, pakistan. Srilanka facus lot of problems because of huge debt.

So, Global South not trusting on ~~with~~ U.S.A, China. Global south should work in plural ways or become Independent in terms of their foreign policies
