Why in news?

The Centre has recently notified new wage rates for MGNREGA, with Goa seeing the highest hike.

What is MGNREGA?

It is a bottom-up, people-centred, demand-driven, self-selecting and rights-based programme.

- **MGNREGA** - The Mahatma Gandhi National Rural Employment (MGNREG) is the largest public employment program in the world.
- **Implementation-** By Ministry of Rural Development in India.
- **Legal provision-** The scheme is based on **MGNREGA Act, 2005** which makes a legislative commitment to provide right to work.
- **Aim-** To enhance the livelihood security of people by guaranteeing *100 days of wage-employment* in a financial year to a rural household whose adult members volunteer to do unskilled work.

Goals of MGNREGA

- Enhance livelihood security of the rural poor through generation of wage employment opportunities in works leading to creation of durable assets.
- Rejuvenate natural resource base of rural areas.
- Create a durable and productive rural asset base.
- Empowerment of the socially disadvantaged, especially, women, Scheduled Castes (SCs) and Scheduled Tribes (STs), through the processes of a rights-based legislation.
- Strengthen decentralized, participatory planning through convergence of various anti-poverty and livelihoods initiatives.
- Deepen democracy at the grassroots by strengthening Panchayati Raj Institutions.

• **Core objectives-**

- Providing not less than one hundred days of unskilled manual work as a guaranteed employment in a financial year to every household in rural areas as per demand, resulting in creation of productive assets of prescribed quality and durability
 - Strengthening the livelihood resource base of the poor
 - Proactively ensuring social inclusion
 - Strengthening Panchayati Raj Institutions
- **Category-**The act also seeks to create durable assets and there are 4 types of categories of MGNREGA public works activities.

Category	About
Category A	Natural resource management (Irrigation canal)
Category B	Individual assets for vulnerable sections (House construction or Refurbishment)
Category C	Common assets and infrastructure to promote agricultural productivity (Poultry shelter)
Category D	Rural infrastructure (Foot bridge)

- **Fund allocation-** The central government provides 100% funding for wages for the unskilled manual work, and covers 75% of the material cost. 25% of the material cost is borne by state governments.
- **Wage-** The wage rates are fixed according to changes in the ***CPI-AL (Consumer Price Index- Agriculture Labour)***, which reflects the increase in the inflation in the rural areas. The wages under the scheme are usually done through ***Direct Benefit Transfer***.

- **Household-** The Act defined household as members of a family related to each other by blood, marriage or adoption and normally residing together and sharing meals or holding a common ration card.
- **Geotag-** Assets developed under MGNREGA are geo-tagged and displayed on a public website, GeoMGNREGA, to enhance transparency.
- **Women empowerment-** Roughly one-third of the stipulated work force must be women.

- **Unemployment allowance-** It mandates that work should be provided *within 15 days* of demanding work failing which the workers are entitled to an unemployment allowance.
- **Gram Sabha-** It is the principal forum for wage seekers to raise their voices and make demands.
 - It determines the order of priority of works in the meetings of the Gram Sabha keeping in view potential of the local area, its needs, local resources
 - It monitors the execution of works within Gram Panchayat, it is the primary forum to conduct social audits.
- **Social Audit-** Auditing of MGNREGA works is mandatory, which lends to accountability and transparency.
- **Amarjeet Sinha committee-** It was constituted in 2023 to review the implementation of the MGNREGA scheme.

What are the issues with MGNREGA?

- **Low wage rates-** If MGNREGA wage rates are lower than state minimum wages, it disincentivizes workers from participating in the program.
- **Fund deficit-** Insufficient funds and irregular flow of funds hamper the effective implementation of MGNREGA, especially during peak seasons when demand for work is high.
- **Delayed payments-** Regular late payments create financial instability for workers and erode trust in the program.
- **Limited banking infrastructure-** Banking infrastructure is limited in rural areas exacerbates the problem of delayed payments and adds unnecessary burden on workers.
- **Faulty MIS data-** Over-reliance on technology without addressing its shortcomings contributes to corruption and reduces transparency and accountability.
- **Excessive centralisation-** It diminishes the role of local governance institutions, reducing their ability to address issues and serve their communities effectively.

What lies ahead?

- The government should address the challenges by increasing fund allocation, reducing delay in payments etc., which would foster and deepen the grassroots democracy.
- Despite several criticisms since its inception MGNREGA remains relevant as a safety net for the most vulnerable in India.
- The World Bank in its World Development Report, 2014 termed MGNREGA as a stellar example of rural development underscores India's commitment to alleviate rural poverty.
