

## **Amitabh Kant Committee**

## Why in news?

Amitabh Kant committee was constituted in 2023 to examine stalled real estate projects and to recommend ways to complete the stalled projects.

## **Amitabh Kant Committee**

- **Set up by** Ministry of Housing and Urban Affairs
- Year of formation 2023
- Members
  - Ministry of Finance
  - Uttar Pradesh State government
  - Haryana State government
  - Insolvency and Bankruptcy Board of India
  - National Housing Bank
  - Real Estate Regulatory Authority (RERA) of Haryana and UP
- **Tenure** Need to submit its report in 6 months

## What are the key findings of the report?

Indian Banks Association (IBA) has said that 60% of the stalled projects had already been bought, with a capital commitment of Rs.1.9 lakh crore.

- **Findings-** The committee was formed to find quantitative analysis (how many) and to find the location of legacy stalled projects.
- It cited the IBA's estimation that
  - 4.12 lakh dwelling units of Rs.4.08 lakh crore were stressed
  - About 2.40 lakh (44%) of these were in the National Capital Region
  - Another 21% of the units were in the Mumbai Metropolitan Region
- Reason for stress- Lack of financial viability

### What are the recommendations of the committee?

- **Mandatory registration** All projects with the following criteria must be registered with State Real Estate Regulatory Authority (RERA).
  - Where the land is over 500 square metres or
  - The number of apartments to be constructed are more than 8
- **De-link registration-** The committee advocated to de-link the grant of registration or sub-lease by the land authorities to the homebuyers from the recovery of dues from developers.
- This would benefit about 1 lakh homebuyers for the immediate registration and execution of subleases in favour of homebuyers.

- **Granting certificates-** RERAs should identify projects where no-objection and completion certificates have not been issued.
- It should accelerate the process to grant certificates, irrespective of the developers paying their dues to the authorities.
- **Rehabilitation package-** It is the role of the State governments to set up a rehabilitation package to get the stalled projects run again.

### Conditions

- The developers should commit to complete the projects in 3 years.
- It includes *Zero Period* for 2 years starting with the onset of COVID pandemic.
- $\circ$  Developers would be allowed to get a <u>co-developer</u> on board to complete the work.
- **Partial surrender policy** The developers can give back some of the unused lands to the authority in exchange for a waiver on the dues for that land.
- **Outstanding payments** The RERA can directly collect these outstanding payments from homebuyers, bypassing the builders.
- **Occupancy-** It suggests that occupancy or possession of substantially completed projects should be granted within the next 30 days.

# • Financial support-

- Bring stalled projects under the purview of *priority sector financing*.
- Ministry of Housing and Urban Affairs should formulate a scheme.
- The government should consider offering subsidized interest rates or a guarantee scheme similar to those available in the MSME sector.
- Improve the Internal Rate of Return of the projects in order to attract funding.
- Last resort- Judicial interventions, like the use of the Insolvency and Bankruptcy Code, should be the last resort.
- **Project viability** All the stakeholders (developers, financiers, land authorities etc.,) would have to take a haircut or accept less than what is due to them.

## Who will implement the recommendations?

Real estate is a state subject under  $7^{th}$  schedule, hence it falls under the purview of respective state governments.

- **Model package** Uttar Pradesh, Noida and Greater Noida have already moved towards implementing the model package envisaged in the report.
- **SWAMIH fund-** The committee asked the Ministry of Housing and Urban Affairs to prepare a detailed scheme for using the Special Window for Affordable and Mid-Income Housing (SWAMIH) Fund.
- It should be used to finance the stalled projects and sent it to the Finance Ministry.
- It also asked MoHUA to send a detailed proposal to the Finance Ministry on permitting banks to finance fresh housing loans for new buyers of the unsold inventory of the stalled project.

## **Quick facts**

- **Aim** To protect the interests of homebuyers & boost investment in the real estate sector.
- To bring transparency & efficiency in sale/purchase of real estate by establishing RERA in each state to regulate real estate sector.
- Establishment of bodies
  - Regulatory Authorities
  - Adjudicating Officers and Appellate Tribunals
- **Registration of Real Estate Agents-** All agents dealing in real estate projects need to register with respective State RERAs.
- **Separate Bank Account for each project** 70% of the amount collected from homebuyers for a project must be maintained in a separate bank account.
- It should be used only for construction of that project and land cost.
- Online Information Through the online portal, the homebuyers are empowered to take the informed decision to buy their dream homes as well.
- **Penal Provisions-** It provides strict penal provisions of imprisonment in addition to provisions for refund, interest and penalty in case of non-compliance by developers, allottees and agent.
