

Central Road Fund (Amendment) Bill

Why in news?

 $n\n$

The government has proposed to make amendments to the Central Road Fund Act, 2000, to insert 'national waterways' into the Act.

 $n\n$

What are the provisions?

 $n\n$

\n

• The Central Road Fund Act pertains to the CR Fund which is made up of cess on petrol and high speed diesel.

۱n

- The cess is at present in the rate of Rs 6 per litre.
- \bullet The amendment seeks to allocate a part of this cess to fund the National Waterways (NWs) project. $\ensuremath{\backslash n}$
- \bullet Under the provisions of the bill, an allocation of 2.5% of CRF proceeds would go for funding the waterways project. \n

 $n\n$

What are the benefits?

 $n\n$

\n

- The National Waterways (NWs) Act, 2016 aimed at developing and maintaining the existing five NWs and 106 new NWs across the country.
- However, the implementation is not in full swing with challenges in funding for the infrastructure such as jetties, terminals, and navigational channels.
- \bullet An allocation of 2.5% of CRF proceeds would provide approximately Rs2,000 crore per annum for the development and maintenance of NWs. $\$

- It ensures a sustainable source of funding, as current budgetary support and funds from multilateral institutions are inadequate.
- \bullet It also offers incentives and certainty for the private sector to invest in the inland waterways transport sector. $\$
- \bullet The move comes along with all the benefits of transportation through the waterways that include $\ensuremath{\backslash n}$
- environment-friendly, cleaner mode of transportation.
- ullet lower logistics cost as cargo transportation through water is much cheaper.
- \bullet enable diversion of traffic from over-congested roads and railways. $\ensuremath{\backslash n}$
