The Commonwealth Heads of Government Meeting (CHOGM) was held recently in London.

What is the Commonwealth grouping?

 $n\n$

\n

- It is a group of nations of mostly former British colonies.
- It is now a 53-nation grouping.
- The present Queen Elizabeth II is the head of CHOGM.

 $n\n$

How was the latest summit perceived?

 $n\n$

\n

- The meeting came with hopes of a "re-energised Commonwealth".
- \bullet The summit was held in the U.K., the founder State, after 32 years. \n
- Besides, Queen Elizabeth II attended the summit.
- \bullet She has skipped the meeting often in the last few years owing to her health. \n

 $n\n$

\n

- Also, the present meet took place amidst Britain's exit from the EU.
- All these led to hopes of reviving the grouping as Commonwealth 2.0.

\n

- India Mr. Modi was the first Indian PM to attend CHOGM in a decade. \n
- ullet Some of the earlier summits were skipped over bilateral differences.
- \bullet It was widely expected that India would step up to play a leadership role. $\ensuremath{^{\backslash n}}$
- It was seen to be helping chart a future course for the Commonwealth.
- Prince Charles's visit to Delhi to invite Indian PM bolstered that belief.

 $n\$

Were the expectations met?

 $n\n$

\n

- \bullet The outcome of the meet was largely against the expectations.
- CHOGM again failed to make a case for its relevance in the 21st century.
- \bullet \mathbf{Head} It was announced that Prince Charles would 'succeed' his mother as the head of the Commonwealth.

۱n

• This has ignored calls by members for the position to be more democratically shared or rotated.

۱'n

- **China** There were statements on the Blue Charter on Ocean Governance and on the Commonwealth Connectivity Agenda for Trade and Investment.
- This could together counter China's Belt and Road Initiative.
- ullet But there was little by way of a road map to achieve the goals.
- **Immigration** Britain PM Theresa May apologised for her Home Office's threat to deport thousands of immigrants.
- \bullet They were brought as manual labour in the 1940s on the ship Empire Windrush from the Caribbean. $\mbox{\sc h}$
- But she failed to convince most members of the Commonwealth that Britain would reverse its present policies on immigration.
- Trade The U.K.'s hard line on Indian "illegals" prevented the signing of a

bilateral agreement on immigrant "returns" with India.

• This was in regard to return of illegal Indian migrants within a month of their being detected by authorities.

\n

• This indicates that post-Brexit London is likely to welcome trade in goods from the Commonwealth, but not services.

 $n\n$

What is the way forward?

 $n\n$

\n

- The Commonwealth remains a great platform for development aid, democratic values and educational opportunities.
- But its relevance is put to test with increasing call for democracy within the grouping.

۱n

• It needs to adopt a more egalitarian and inclusive attitude to its next generation of Commonwealth citizens.

\n

 \bullet Only this can ensure the sustainability and credibility of this grouping. $\mbox{\sc h}$
