

## India China - Masood Azhar Issue

## Why in news?

 $n\n$ 

U.S moved a proposal at the U.N.'s Sanctions Committee 1267, to designate Pakistan-based Masood Azhar as a global terrorist.

 $n\n$ 

#### Who is Massod Azhar?

 $n\n$ 

\n

- Masood Azhar is the founder and leader of terrorist group Jaish-e-Mohammed, active mainly in the Pakistani administered Azad Kashmir.
- India holds Azhar responsible for many terrorist acts in India including the  $2^{nd}$  January 2016 attack on the Pathankot airbase.

 $n\n$ 

# Why is China opposing the move?

 $n\n$ 

China was the only country among the 15-member UN Security Council to oppose the ban on Azhar. Even Saudi Arabia backed India. The possible reasons for chinas's opposition are,

 $n\n$ 

۱'n

- China and Pakistan are "all-weather friends". Therefore Beijing's wants to keep its ally in South Asia in good terms.
- Pakistan is supporting China within groupings like the Organisation of Islamic Cooperation and others like the Non-Aligned Movement where China has no representation. Therefore this could be payback.
- China also wants to strengthern its relation with Pakistan because of its key

role in China's One Belt One Road plans.

۱n

• China sees India's growing proximity to the US as a major challenge and this could be a retaliation.

۱n

 $\bullet$  This also could be counter measure against India for sheltering Dalai Lama.  $\ensuremath{\backslash n}$ 

 $n\n$ 

## What is the current proposal?

 $n\n$ 

\n

• In December 2016, India's efforts to get Azhar banned by the U.N. were blocked by China.

\n

• The current proposal by US said that JeM is a designated terror outfit and so its leaders should be banned and the proposal is supported by the U.K. and France.

\n

• But China opposed and put an hold on the U.S.' move.

\n

• The "hold" remains for six months and can be further extended by three months.

\n

• During this period, it can anytime be converted into a "block," thereby, ending the life of the proposal.

\n

• Therefore, India has said that the matter has been taken up with the Chinese government.

\n

 $n\n$ 

### What is UNSC 1267 Committee?

 $n\n$ 

\n

• The UNSC 1267 Committee was established as a result of resolution 1267 (1999).

۱'n

• It is also known as the AlQaida and Taliban Sanctions Committee.

• The Committee comprises all 15 members of the UNSC and decides unanimously and secretly.

\n

- $\bullet$  It was established for the purpose of overseeing the implementation of sanctions measures imposed on Taliban-controlled Afghanistan for its support of Osama bin Laden. \n
- $\bullet$  Eventually it has been modified and strengthened by subsequent resolutions.  $\ensuremath{^{\backslash n}}$
- Now, if an individual or an organisation is included in the list, it helps in restricting their movement, financial penalties and assets freeze among others.
