What are the concerns?

- The political scenario of the West Asia or Middle East are complex and multidimensional.
 - Example: Saudi Arabia is rival with Iran and Turkey.
- India has close ties with both Saudi Arabia and Iran and thereby straining the relationship at times.
- Increased engagement of kingdom with China as it is their biggest trading partner.
- Riyadh still helps Pakistan with economic aid.

What lies ahead?

- India should frame a dedicated policy for west Asia on similar lines of Act East Policy.
- Saudi Arabia is consolidating its partnership with the US, India, and Europe which need be encouraged.
- India should use every opportunity to engage with Saudi Arabia for energy security and for maintaining peace in the neighbourhood.
