

## Issues in Sovereign Gold Bond

### Why in news?

People prefer physical gold over sovereign gold bonds as no trail is left for the tax authorities.

Key terms	
<b>Physical gold</b>	<ul style="list-style-type: none"> <li>• It can be purchased at jewelry shops.</li> <li>• It includes a 20% making charge, 3% GST, and capital gains tax is charged when selling the yellow metal.</li> </ul>
<b>Digital gold</b>	<ul style="list-style-type: none"> <li>• It is alternative to physical gold where purity is guaranteed.</li> <li>• Example- Investment in exchange traded funds (ETFs), gold mutual funds, and gold futures.</li> </ul>
<b>Gold ETFs</b>	<ul style="list-style-type: none"> <li>• They are gold-based passive investment instruments that invest in gold bullion and are based on gold prices.</li> <li>• They are paper or dematerialized units that represent physical gold.</li> </ul>

### What is Sovereign Gold Bond (SGB)?

<b>Launch year</b>	2016
<b>Issuer</b>	Reserve Bank of India (RBI) on behalf of Government of India
<b>Interest</b>	2.5% paid semi-annually
<b>Eligible investors</b>	<ul style="list-style-type: none"> <li>• Persons residing in India as defined under <i>Foreign Exchange Management Act, 1999</i></li> <li>• Individuals, Hindu Undivided Families (HUFs), Trusts, Universities and Charitable institutions</li> </ul>
<b>Investment limit</b>	<ul style="list-style-type: none"> <li>• Minimum investment- 1 gram</li> <li>• Maximum investment               <ul style="list-style-type: none"> <li>- Individuals &amp; HUFs - 4 kg</li> <li>- Trusts - 20 kg</li> </ul> </li> </ul>

<b>Authorized agencies to sell SGBs</b>	<ul style="list-style-type: none"> <li>• Nationalised Banks</li> <li>• Scheduled Private Banks</li> <li>• Scheduled Foreign Banks</li> <li>• Designated Post Offices</li> <li>• Stock Holding Corporation of India Ltd.,</li> <li>• Authorised stock exchanges</li> </ul>
<b>Tenure</b>	8 years with exit option after the 5 <sup>th</sup> year

### What are the advantages of SGB?

- **Protected investment**- The quantity of gold the investor pays for is protected, since he receives the ongoing market price at the time of redemption/premature redemption.
- **Cost effective**- These bonds offer a superior alternative to physical gold as the risks and costs of storage are eliminated.
- **Passive income**- Investors are assured of the market value at the time of maturity, and periodical interest.
- **Flexibility**- These bonds are free from issues like jewellery making charges, purity, risk of loss of scrip, etc.,
- **Collateral**- It is as liquid as physical gold and could be exchanged for money at the time of financial needs.
- **Tax benefits**- There is a provision of tax exemption from the interest and capital gains of the bond.
- **Minimal risk**- Gold bonds have a negligible risk factor, making them an ideal investment choice.

## What makes physical gold more attractive than SGB for people?

- **Liquidity restriction-** SGBs are *long-term investments* that cannot be liquidated before 5 years from the date of investment whereas physical gold can be sold at anytime and anywhere.
- **Lower returns-** SGB are risk free instruments but they provide low returns when compared to other market instruments.
- **Investment limit-** Imposing maximum limit restricts the people their freedom of choice to invest.
- **Market fluctuation-** It shifts the price of gold below the bond cost price.
- **Low demand-** The demand for SGB is very low compared to physical gold imports.
  - Only 1.8% of total gold imports were equivalent to SGBs in the last 8 years.
- **Tangible asset-** Confidentiality and privacy is not possible in SGB where the KYC (Know Your Customer) norms are applied and followed as they are issued by RBI through banks.
- **Cultural value-** Physical gold holds emotional significance in India, especially for weddings and festivals. It is also seen as a symbol of status and wealth.
- **Dependence-** SGB carries the risk of default or fluctuation due to government guarantee unlike the physical gold.

## Quick facts

### Electronic Gold Receipts

- They are a new way of trading gold on the stock exchange without having to buy or store physical gold.
- **Aim-** To provide transparent and efficient price discovery of gold.
- **Regulation-** Securities and Exchange Board of India (SEBI)
- They are held in demat accounts and traded in stock exchanges like dematerialised stocks.
- The stock exchange can source physical gold from deposits in delivery centres, domestic refineries and imports.
