

Parliamentary Budget Office

What is the issue?

\n\n

Establishing a Parliamentary Budget Office (PBO) would help MPs provide effective oversight of budgeting.

\n\n

What is Parliamentary Budget Office?

\n\n

\n

- A PBO is an independent and impartial body linked directly to Parliament.
- It provides technical and objective analysis of Budgets and public finance to the House and its committees.
- It can generate quality public debate on Budget policy and public finance, enabling parliamentarians to engage meaningfully in the Budget process.
- Traditionally, independent budgetary units are more common in developed countries.

What is the need for such office?

\n\n

\n

- Multiple indicators suggest that executive-led budgetary governance has not been successful in India.
- The Indian Parliament is a Budget-approving body contributing to budgetary matters in the following notable ways:

\n

\n\n

- \n
1. Presentation of the Budget.
 2. Scrutiny of the demands for grants of various ministries.
 3. Debate.
 4. Consideration and approval of the Budget.
- \n

\n\n

- \n
- To carry out these functions effectively, Parliament requires institutional, analytical and technical competence.
 - There is a growing trend among legislatures, particularly within the OECD countries to establish specialised Budget research units.
- \n

\n\n

What are the functioning roles of PBO?

\n\n

- \n
- The majority of PBOs have four core functions:
- \n

\n\n

- \n
1. **Independent and objective economic forecast.**
- \n

\n\n

- \n
- Budgets generally start with an economic forecast.
 - A PBO can present either its own independent forecast or it can validate the government's, providing an objective analysis on the official forecast.
- \n

\n\n

- \n
2. **Baseline estimate survey.**
- \n

\n\n

\n

- It will provide options for spending cuts, outlining a budgetary framework that reflects priorities of the nation, bespoke policy briefs.

\n

\n\n

\n

3. **Analysing the executive's Budget proposal.**

\n

\n\n

\n

- A PBO is comprised of independent and specialised staff, such as Budget analysts, economists, and public finance experts.
- These may include general economic analysis, tax analysis, long-term analysis.

\n

\n\n

\n

4. **Providing medium- to long-term analysis.**

\n

\n\n

\n

- Its output, and the methods by which those outputs are prepared, must be transparent, accessible and understandable.
