- **Section 4** of the act states that “at the time of marriage neither party should have a spouse living”.
- **The Hindu Marriage Act 1955** - Outlawed the concept of having more than one spouse.
- Buddhists, Jains, and Sikhs are also included under the Hindu Marriage act 1955.
- **Section 17** of the act states that bigamy is an offence.
- **IPC Section 494** - Penalizes bigamy or polygamy. A person wife or husband in any case engages in second marriage should be imprisoned for a period of 7 years and liable to fine.

What is the status of polygamy in India?

- **Kanwal Ram and Ors v The Himachal Pradesh Administration (1965)** - The

Supreme Court reiterated the legal position that the standard of proof must be of marriage including second marriage should be performed as per customs.

- So the live-in-relationship doesn't come into the ambit of the second marriage.
- **Desertion of marriage** - IPC Section 494 penalizing polygamy doesn't apply in case of desertion by the spouse that is who has been continuously absent for 7 years.
- **Goa** - A crucial exception to the bigamy law for Hindus is Goa, which follows its own code for personal laws.
- A Hindu man in the state has the right to bigamy under specific circumstances mentioned in the Codes of Usages and Customs of Gentile Hindus of Goa.
- These specific circumstances include a case where the wife fails to conceive by the age of 25 or if she fails to deliver a male child by the age of 30.
- **No uniform civil code** - Even now various religions are governed by their respective religion personal laws.
- **Tribal population** - Since they are governed and protected by special laws and the prevalence of polygamy is high among tribal population.

Bigamy is the offence of marrying someone while already married to another person.

What is the way forward?

- Any move to outlaw polygamy for Muslims would have to be a special legislation which overrides personal law protections like in the case of [triple talaq](#).
- The tribal population needs to be educated about the consequences of the polygamy.
- Uniform civil code needs to be followed to bring uniformity across India.
