

Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP)

Why in News?

Recently, Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP) reached a significant milestone, with Janaushadhi medicines worth Rs. 1,000 crore sold in the year 2024-25 till October 2024.

What is Janaushadhi Pariyojana?

- It is a campaign **launched in 2016**, to provide quality medicines at affordable prices to the masses making essential healthcare accessible to all citizens.
- **Launched by** - *Department of Pharmaceuticals* under Ministry of Chemicals and fertilisers in association with Central Pharma Undertakings.
- **Objectives** - Ensuring *access to quality medicines* for all sections of the population especially the poor and the deprived ones.
- Creating *awareness about generic medicines* through education and publicity to counter the perception that quality is synonymous with high price only.
- Encouraging health care professional particularly in those government hospitals, to *prescribe generic alternatives*, thereby promoting cost-effective treatment options.
- Generate *employment* by engaging individual entrepreneurs in opening PMBJP Kendra

Generic drugs are marketed under a non-proprietary or approved name rather than a proprietary or brand name. Generic drugs are equally effective and inexpensive compared to their branded counterparts.

- **Implementation** - It is implemented by ***Pharma & Medical Bureau of India (PMBI)***, a society registered under the Societies Registration Act.

Pharma & Medical Bureau of India (PMBI) was earlier called as Bureau of Pharma PSUs of India (BPPI).

- **Operation** - It is operated by government agencies as well as by private entrepreneurs.

What are its salient features?

Janaushadhi Kendras (JAKs) are accessible points for quality healthcare, providing a friendly environment where individuals can find the medications they need.
