Right to vote and the Right to be elected

Recently, the jailed head of the pro-Khalistan outfit announced his intention to contest the Lok Sabha elections from Punjab that is to be held in June 2024.

- **Political rights of jailed persons** - They have the right to contest polls while facing criminal charges unless convicted but barred from casting his vote.

Supreme Court of India has held that right to elect and be elected do not enjoy the same status.

- **Status of 'Right to Vote'** - In 2006 Kuldip Nayar case, the court held that it is ***a statutory right*** and ***not a fundamental right***.
- **Bar** - Section 62 of the Representation of People Act, 1951 provides a series of restrictions like barring to vote
 - If he is *confined in a prison*, whether under a sentence of imprisonment or transportation or otherwise, or is in the lawful custody of the police.
- **Exception** - If they have been *released on bail* or have *been acquitted* and also for those *in preventive detention*.

Anukul Chandra Pradhan case in 1997

- **Petition** - Denying voting rights to undertrial person and person who cannot afford to pay bail amount with the bailed person violate the fundamental right of 'Right to Equality'.
- **SC** - It rejected this argument on 4 grounds.
- Right to vote was a statutory right and could be subject to statutory limitations.
- A person in prison because of their conduct "cannot claim equal freedom of movement, speech and expression".
- The is connected to keeping "persons with criminal background away from the election scene".

- **Status of 'Right to be elected'** - Section 8 of the Representation of People Act, 1951 deals with disqualification on conviction for certain offences.
- *Only the convicted person will be disqualified* from contesting elections to Parliament or state legislatures.
- It is from the date of conviction onwards and face further a 6-year disqualification beginning from the date of their release.
- **Exceptions** - The Election Commission of India (ECI) is empowered to "remove" or "reduce" the period of disqualification
 - In 2019, the ECI used this power to reduce the period of disqualification of a

convicted person.

- A disqualified MP or MLA can still contest is when their *conviction is stayed on appeal* to a higher court.
- **Concerns** - As of April 2024, there are still 4,472 Criminal cases pending on MPs/ MLAs.

World Press Freedom Index 2024

India press freedom score falls in the 2024 World Press Freedom Index.

- It is an *annual index* of freedom enjoyed by journalists in *180 jurisdictions*.

Press freedom is defined as the ability of journalists as individuals and collectives to select, produce & disseminate news in the public interest independent of political, economic, legal, and social interference and in the absence of threats to their physical and mental safety.

- **Released by** - Reporters sans Frontieres (Reporters without Borders), a global media watchdog headquartered in Paris, France.
- It has consultative status with the United Nations and the UNESCO.
- **Analysis** - It is assessed globally and also regionally like Africa, Americas, Asia - Pacific, Europe - Central Asia and Middle East - North Africa.
- **Score**
 - '0' - For the worst possible performance.
 - '100' - The best possible score.
- **2 Indicators** - A tally of *abuses against media and journalists* in connection with their work.
- A qualitative analysis of the situation in each country or territory based on the *responses of "press freedom specialists"* to an RSF questionnaire available in 24 languages.
- **5 categories RSF questionnaire** - Political context, legal framework, economic context, sociocultural context and security.
- **Findings of the 2024 report** - Press freedom around the world *fell by an average 7.6 points globally* and is being *threatened by* the very people who should be its guarantors, the *political authorities*.
 - **Topper** - Norway and Denmark topped.
 - **Worst performers** - *Eritrea* was at the bottom, with Syria just ahead of it.
- **India** - Its *rank improved* from 161 in 2023 to **159 in 2024** only because other countries had slipped in their rankings.
- Scores *dropped in all 4 categories* of questionnaire except the security indicator, thus overall score fell from 36.62 to **31.28**.

In May 2024, Chile and UNESCO will host the 31st World Press Freedom Day Conference.

Chang'e 6

China launches lunar probe mission Chang'e 6.

- **Launched by** - China National Space Administration (CNSA).
- **Carried by** - Long March-5 Y8 rocket from Wenchang Space Launch Site, on the coast of southern island province of Hainan.
- **4 components** - An orbiter, a lander, an ascender and a re-entry module.
- **Mission** - It is tasked with collecting and then returning samples from the moon's far side to Earth.

Chang'e 6 is the 1st endeavour to collect and then return samples in the history of human lunar exploration.

India became the 1st country in 2023 to land near lunar South Pole region last year when its Chandrayaan-3's lander, carrying the Pragyaan rover successfully landed there.

- After collecting dust and rocks on the moon, the ascender will transport the samples to the lunar orbiter for transfer to the re-entry module, which will carry them back to Earth.
- The probe will carry out scientific exploration of the landing zone.

- **Key technologies** - Automatic sample collection, take-off and ascent from the far side of the moon.
- **International collaborations** - Scientific instruments from France, Italy and the European Space Agency/Sweden will be on board the lander and a Pakistani payload on the orbiter.

China in the past successfully launched unmanned missions to the moon which included landing a rover and has also sent a rover to Mars. It has also announced plans for a manned lunar landing by 2030.

Quick facts

- **Chang'e 4** - It landed in the Von Karman crater in the South Pole-Aitkin Basin in 2019 whose rover Yutu-2 became the 1st rover to successfully soft-land on the moon's far side.
- **Chang'e 5** - Its descender along with the lander landed on Mons Rumker, a vast volcanic plain on the moon.
