## **Portuguese man-of-wars**

\n\n

- \n
- Portuguese man-of-war is a jelly-like marine organism, commonly known as 'bluebottle' or 'floating terror'.
- \n
- It was recently spotted on the popular beach in North Goa.
- \n
- While most jellyfish stings are harmless to humans and cause only a mild irritation, species like the bluebottle are venomous and can cause harm on contact.
- \n
- Goa Tourism's beach safety agency has issued an advisory for tourists as well as residents to refrain from venturing into the sea.
