Belmont Forum

 $n\n$

\n

• The Belmont Forum, created in 2009, is a high level group of the world's major funders of global environmental change research and international science councils.

\n

• It provides an opportunity to identify, study and deliver international environmental research priorities.

\n

• India is a member of Belmont Forum, besides Australia, Brazil, Canada, European Commission, France, Germany, Japan, Netherland, South Africa, UK and USA etc.

\n

• Ministry of Earth Science represents India in the Belmont Forum since 2012.

\n

- In order to coordinate the activities of the Belmont, a Full time Secretariat is hosted by one of the Belmont forum member on rotational basis.
- National French Research Agency (ANR), France is hosting the Secretariat from January, 2015 to December, 2017.
- Recently, India has approved the collaborative agreement with ANR France for supporting the Belmont Forum Secretariat from 2015 to 2017.

Water Management Index

 $n\n$

\n

- The index is developed by Niti Aayog.
- The index acts as a useful tool to assess and further improve the performance in efficient management of water resources.
- The Index has 28 key Performance Indicators covering irrigation status, drinking water and other water-related sectors.
- Niti Aayog will prepare the index for States/Union Territories from the current financial year (2017-18).
- The index would provide useful information for the States and Central Ministries enabling them to formulate and implement suitable strategies for better management of water resources.
