Schengen Area

Recently, Kosovo secured visa-free access to the Schengen zone in Europe, world's largest zone of free movement

- **Schengen agreement** - A treaty, signed ***in 1985 in Schengen***, by France, Germany, Belgium, Luxembourg and Netherlands and came ***into force in 1995***.

Schengen is a village in Luxembourg, bordering France and Germany.

- **Aim** - To abolish internal border checks and to provide a single set of rules for controls at the external borders in Schengen area.
- **Parties** - 27 countries
- **Membership** - It has allowed both EU and non-EU countries.
- Today, 23 of 27 EU countries are parties except Cyprus and Ireland but Bulgaria and Romania to join in March, 2024.
- It includes non-EU States like Iceland, Norway, Switzerland and Liechtenstein.

United Kingdom (UK) is a non-EU and non-Schengen Country.

- **Schengen Visa** - It is issued *for short stays under 90 days*.
- **Benefits** - Freedom to travel to other European nations without border checks.
- Alongside the single currency adopted by 20 EU countries, Schengen visa is the most visible symbol of European integration.
- **Challenges** - The *flow of migrants and asylum seekers* is seen as a threat to internal security and affected member states use the Schengen Borders Code to introduce internal border controls.

Quick facts

- **Kosovo** - A Balkan nation which broke away from Serbia in 1999 and declared

independence in 2008.

- It has not been accorded legal statehood by the UN and denied recognition by Russia and China.
- **Balkan countries** - Albania, Bosnia and Herzegovina, Kosovo, Montenegro, North Macedonia and Serbia.

National Commission for Scheduled Castes (NCSC)

Recently, Vice-Chairman (Chairman in-charge) of the NCSC submitted its annual report 2022-23 to the President of India.

- It is a **constitutional body under Article 338** of the Constitution of India.
- **Aim** - To provide safeguards against the exploitation of SCs and Anglo Indian communities and to promote & protect their social, educational, economic and cultural interests.
- **Composition (5)** - Chairperson, Vice-Chairperson and 3 other Members.
- **Appointed by** - **President**, by warrant under his hand and seal.
- President may by rule determine the conditions of service and tenure of office of all the members.

89th Constitutional Amendment Act (2003), separated the erstwhile National Commission for Scheduled Castes and Scheduled Tribes into 2 separate commissions - National Commission for SC and National Commission for ST (NCST).

- **Powers and Function** - It shall have the power to regulate its own procedure.
- To investigate and monitor all matters relating to all safeguards provided for the SCs and to evaluate their working.
- To inquire into specific complaints with respect to the deprivation of rights and safeguards of the SCs.
 - It has all the **powers of a civil court** like summoning attendance, requiring documents, receiving evidences, requisition public copy from court or office and examining the witnesses.
- To advise on the planning process of socio-economic development and to evaluate the progress under the Union and any State.
- To discharge such other functions as the President may, subject to the provisions of any law made by Parliament, by the rule specify.
- The Union and every State Government shall consult the Commission on all major policy matters affecting SCs.
- **Report** - Presented to the President, annually and at such other times as the

Commission may deem fit where it recommends measures that should be taken by the Union or any State.

*National Commission for Scheduled Tribes (NCST) under **Article 338 (A)** and National Commission for Backward Classes (NCBC) under **Article 338 (B)** are constitutional bodies for the protection and development of STs and BCs of India respectively.*

Army Martial Arts Routine (AMAR)

Recently, a Punjab Regiment unit deployed close to the Line of Actual Control (LAC) in Kibithu in eastern Arunachal Pradesh, demonstrated their martial arts training to a group of visiting journalists.

- **AMAR** - A unique and standardised mixed martial arts (MMA) programme to train soldiers in basic and advanced techniques and manoeuvres of MMA.
- **Induction of martial arts** - Post the Galwan conflict in 2020, the Udhampur-based Northern Command introduced the Israeli-origin martial art **Krav Maga**.
- Later units picked up different martial arts based on their affiliations.
 - **The Ghatka** - By the Punjab regiment
 - **The Khukri dance** - By the Gorkha Regiment
 - **The Kalari Payattu** - By the Madras regiment
- **Aim** - To improve soldier readiness and close-quarters fighting skills by focussing on offensive assault training and the ability to counter sharp-edged weapons.

***Battle Preparedness and Efficiency Test (BEPT)** is a mandate for all personnel up to 45 years of age once in every quarter. One has to run 5 km in 25 minutes for up to 30 years of age and for those above 30 years up to 40, additional 2 minutes are given.*

Important Martial Arts	Origin State
Kalaripayattu	Kerala
Gatka	Punjab
Kuttu Varisai	Tamil Nadu
Silambam	Tamil Nadu
Thang-ta	Manipur

India's open-sourced DPIs

India and Colombia signed a Memorandum of Understanding (MoU) on Cooperation to share India's open-sourced DPIs.

- **India Stack Solutions** - It is India's open-sourced DPI, a democratic and inclusive *set of open Application Programming Interface (APIs)* that stack upon each other to address various social challenges arising from economic underdevelopment.
- **Digital public infrastructure (DPI)** - It is a set of *shared digital utilities* powered by interoperable open standards providing *equal access to drive innovation, inclusion, and competition at scale* having open, transparent, and participatory governance.

Open source software (OSS) is software with a source code that that anyone can inspect, modify, and enhance with its original rights.

- **Digital public goods (DPGs)** - A set of digital assets *made freely available* allowing anyone to build and operate their own DPIs in a faster, cheaper, and interoperable manner.
- **India's DPI framework**

- **Significance** - DPI approach can *reduce implementation cost* thereby increasing society-wide impact of digitalisation.
- It can *make India genuinely a leader of the Global South*, as is evident from the fact that 8 countries have already signed MoU for the stack.

India has launched [Global DPI Repository \(GDPIR\)](#), a virtual repository of DPI

voluntarily shared by G20 members and beyond. Currently, the GDPIR features 54 DPIs from 16 countries.

Operations of Railway Protection Force

The Railway Protection Force (RPF) undertake various operations to safeguard railway property, passenger areas, and the well-being of travellers.

- **Railway Protection Forces** - It is established through ***RPF Act, 1957*** and was amended in 1985 to make RPF *an Armed Force*.
- **Aim** - To ensure a *safe and comfortable travel experience* for all rail passengers and thereby upholding the values of integrity, compassion, and responsibility.

Operation	Objective	Significance
Nanhe Faristey	Rescuing Lost Children	Reuniting the children in need of care and protection with their families.
Jeevan Raksha	Saving Lives	Saving the lives of passengers who had accidentally fallen while de-boarding or boarding moving trains.
Meri Saheli	Empowering Women Passengers	Providing security assurance to lady passengers.
Uplabdh	Cracking Down on Touts	Arresting touts and Seizing future reserved railway tickets.
NARCOS	Combating Drug Crimes	Arresting drug peddlers and seizing narcotics.
Yatri Suraksha	Protecting Passengers	Supplementing police in preventing and detecting crimes against passengers.
Sanraksha	Ensuring Safety	Maintaining passenger safety from perilous acts of stone pelting on running trains.
Seva	Assisting Those in Need	Assisting elderly, sick or injured passengers during their rail travels.
Satark	Curbing Illegal Goods Transport	Seizing illegal tobacco products, illegal liquor and unaccounted cash, gold and silver.

In addition to this, RPF promptly addressed security-related passenger complaints through Rail Madad Portal and the Helpline (No. 139 integrated with Emergency Response Support System No. 112).
