Berlin Process

Leaders from the European Union and the Western Balkans met at Tirana, Albania to discuss the path to membership in the bloc for 6 Balkan countries.

- **Berlin Process** - A platform for high-level cooperation between the leaders of the 6 Western Balkan countries (WB6)
- **Establishment** - 2014
- **Objective**
 - To improve connectivity, neighbourly and interpersonal relationships among WB6
 - To integrate the WB6 into a single market and supporting their green and digital transformation
 - To support for the EU integration
- **Goals** - It was given during 2014 Declaration of the German Chair
 - Resolution of bilateral and internal issues
 - Reconciliation within and between the societies in the region
 - Enhancing regional economic cooperation
 - Laying the foundations for sustainable growth

The EU enlargement process has been stalled since 2013 when the last country to become a member was Croatia.

- **Prerequisite for joining EU**
 - To reform their economies and political institutions
 - To overcome regional conflicts
 - To stand together as Russia wages war in Ukraine
- **Challenges** - Dispute between Serbia and Kosovo remains a great concern for the EU before the summit.

The summit, which is being held for the first time in a non-EU member country, takes place at a pharaonic landmark, known as the Pyramid.

Balkan Countries

- **WB6** - Albania, Bosnia, Kosovo, Montenegro, North Macedonia and Serbia
- **Balkan Countries** - Croatia, Slovenia, Bulgaria, Romania, Moldova, Greece, Turkey and WB6
