Sagarmala initiative

\n\n

\n

- Government has recently inaugurated Hi-tech labs in centre of excellence in Maritime & Ship Building (CEMS), Vishakapatnam.

\n

- The prime objective of the sagarmala project is to promote port-led development and to provide infrastructure to transport goods quickly, efficiently and cost-effectively.

\n

- It intends to enhance the capacity of major and non-major ports.

\n

- It also strives to ensure sustainable development of the population living in the coastal economic zones.

\n

- Community Development Fund will be created for projects and activities which strive to bring development for coastal communities.

\n\n

Global Compact for Migration

\n\n

- \n
- United Nations has created Global compact for safe, orderly and regular migration for the first time.
- \n
- It is the first intergovernmental negotiated agreement under the auspices of UN to cover all dimensions of migration.
- \n
- The agreement was signed by adopting a non-binding political declaration "New York Declaration for Refugees and Migrants" in 2016.
- \n
- Its objective is to address the challenges fo migration, strengthen migrant rights.
- \n
- Under the agenda, member States committed to cooperate internationally to safe facilitate migration.
