Supplementary Grant: It is granted when the amount authorised by the Parliament through the appropriation act for a particular service for the current financial year is found to be insufficient for that year.

\n\n

Token Grant: It is granted when funds to meet the proposed expenditure on a new service can be made available by reappropriation. A demand for the grant of a token sum (of Re 1) is submitted to the vote of the Lok Sabha and if assented, funds are made available. Reappropriation involves transfer of funds from one head to another. It does not involve any additional expenditure.
