

# **Re-election on Maximum NOTA Votes - Maharashtra**

### Why in news?

\n\n

Maharashtra State Election Commission (MSEC) recently ruled if NOTA gets the maximum votes in an election, re-elections will be held.

\n\n

#### What is the decision?

\n\n

\n

- The MSEC supervises elections to panchayats and municipalities in the state.  $\ensuremath{\sc n}$
- For local body polls in Maharashtra, the NOTA will now be treated as a "fictional electoral candidate".
  \n
- None of the contesting candidates will be declared as elected and fresh elections would be held, if NOTA gets maximum votes.  $\n$
- The order will be applicable to polls and bypolls to all municipal corporations, municipal councils and nagar panchayats.  $\n$
- It comes five years after the Supreme Court ordered the Election Commission to introduce a 'None of the Above' (NOTA) button on all electronic voting machines (EVMs).
- But earlier, irrespective of the NOTA votes, the contesting candidate with the highest number of votes was declared a winner.  $\n$
- This was the case even if NOTA has polled more votes than the candidate with the highest votes.

\n

\n\n

### Why is it significant?

\n\n

\n

• This is perhaps the first time that the option was being introduced anywhere in the country.

\n

- The SC had wished that the introduction of NOTA will -  $\slash_n$ 

\n\n

- ∖n
- i. improve the electoral process through increased voter participation  $\n$
- ii. compulsion on political parties to field good candidates  $\space{\space{1.5}n}$
- iii. reflection of negative votes in an election result
  - \n

\n\n

\n

- Giving effect to all these, the MSEC's decision would now honour and respect the majority will and opinion of the people.  $\n$
- The MSEC's move also speaks for the true spirit of decentralization of power down to the third tier.  $\n$

\n\n

## What are the other initiatives of MSEC?

\n\n

\n

• The SEC of Maharashtra has brought in some key electoral reforms in the last few years.

∖n

- It is the first one to go fully digital in the filing of nomination papers and affidavits of all candidates.  $\gamman$
- This has eliminated most errors and enabled instant dissemination of information to the voters.  $\n$
- It is the first SEC in the country to cancel registration of more than 250 political parties for failure to submit audited accounts in time.  $\n$
- It is also the first one to disqualify an elected representative for failure to comply with expense disclosure rules.  $\n$
