

# Santhal Hul

## Why in news?

June 30 marks the 169th anniversary of the Santhal Hul, one of the earliest peasant uprisings against the British.

## What is a Santhal Hul?

Santhals
• History of Santhals - They were not the original inhabitants of modern day Santhal
Pargana which includes the six districts of Dumka, Pakur, Godda, Sahibganj, Deoghar and
parts of Jamtara.
• They had <i>migrated from the Birbhum and Manbhum regions</i> (present-day Bengal),
starting around the late 18th century.
• Migration - The <u>1770 famine in Bengal caused the Santhals</u> to begin moving and soon,
the British turned to them for help.
• Geographical distribution - They spread across Jharkhand-Bihar, Odisha and West
<u>Bengal</u> .

• **Population** – Today, the Santhal community is the *third largest tribal community in India*.

**Santhal pargana** is the region in present-day Jharkhand, more specifically, around the Rajmahal Hills of eastern Jharkhand's Sahibganj district.

- **Santhul Hul** It represents the <u>Santhal revolution that began in 1855</u> in the Santhal pargana region, two years before the uprising of 1857.
- It was an *organised war* against colonialism and other forms of oppression they were subjected to by the British and their collaborators.
- It is one of the first *peasant uprisings* against British colonial oppression.

The state of Jharkhand celebrates June 30 as 'Hul Diwas'.

- Leaders It was led by four brothers, *Sidho, Kanho, Chand, and Bhairav Murmu*, along with sisters *Phulo and Jhano*.
- **Objective** It was a revolt *against imperialism* to safeguard the economic, cultural, and religious aspects of their lives.
- **Targets** Apart from British, they also fought against the upper castes, zamindars, darogas, and moneylenders, described by the umbrella *term 'diku' (outsiders)*.

### What were the major causes of the revolt?

- **Permanent Settlement Act of 1790** It allowed the East India Company to bring an ever-increasing area in its control under settled agriculture.
- They, thus, chose the *area of Damin-i-Koh*, at the time heavily forested, *to be settled by the Santals*, in order to collect a steady stream of revenue.
- It comprises present-day Sahibganj, Godda, Dumka, Deoghar, Pakur, and regions of Jamtara, in *present-day Jharkhand*.
- The area was allocated to the Santhals displaced from Birbhum, Murshidabad, Bhagalpur, Barabhum, Manbhum, Palamau, and Chhotanagpur, all areas the Bengal Presidency.
- **Repression by British** While the Santhals were promised settlement and agriculture in Damin-i-Koh, they indulged in repressive practice of <u>land-grabbing and</u> <u>begari</u> (bonded labour).
- Worsened social conditions Zamindars, the police, the revenue court alas have exercised a combined system of
  - Oppressive *extractions*
  - *Forcible dispossession of property*
  - <u>Abuse and personal violence</u> and a variety of petty tyrannies upon Santhals
- Willful and *uncharitable trespass by the rich* by means of their untethered cattle, tattoos, ponies or even elephants, on the growing crops of the poorer race.
- **Declining economic prosperity** <u>Usurious interest</u> on loans of money ranging <u>from</u> <u>50 to 500%</u>.
- False measures at the haut and the market.
- Loss of traditional lands The introduction of *private property rights* and the *encroachment of non-Santhal settlers* led to the loss of traditional lands for the Santhals.
- Their traditional ways of life and livelihoods were disrupted, creating further discontent.

## Elaborate the events of the revolt?

- **Rebellion** By 1854, there was talk of rebellion in tribal councils and meetings.
- It finally began after a massive assembly of over 6,000 Santhals representing around 400 villages that took place *in 1855.*
- **Course of events** <u>Moneylenders and zamindars were executed</u> or forced to flee.
- The police stations, railway construction sites and dak offices thus <u>all symbols of</u> <u>colonial rule were attacked</u>.
- **Diversified participations** Apart from the Santal community it saw the participation from <u>32 communities (tribals and non-tribals both)</u>.
- Participation of women The sisters Phulo-Jhano had led an army of 1,000 women.
- Their involved in providing food supply, *gathering information and also attacked* the East Indian camps during the night.
- Repression by British They <u>invoked martial law</u> and killed thousands of locals and also <u>burned down villages</u>.
- The British <u>hanged Sidhu</u> to death in 1855, followed by Kanhu <u>in 1856</u> and thus the

insurrection ended, but the impact it left was everlasting.

## What are the significances of the revolt?

- Broke the myth of British supremacy <u>British army was defeated twice</u> during the rebellion.
- The *first was in Pirpainti and the second in Birbhum*, all part of lower Bengal then and the narrative that the East India Company's army could not be defeated was exposed.
- Santhal Pargana Tenancy Act of 1876 It was enacted aftermath of the revolt.
- It *prohibits the transfer of Adivasi lands* (urban or rural land) to non-Adivasis, was the result of the Hul.
- The land can only be inherited as per the Act, thus retaining the *rights of Santhals to self-govern their land*.
- **Inspiration to other revolts** This revolt motivated <u>many tribals' revolts</u> which emerged for claiming their ownership rights and other rights.

The **Chhotanagpur Tenancy Act 1908** was enacted as a result of the Birsa Movement that allowed land transfers within the same caste and certain geographical areas with the approval of the District Collector.

- **Heightened the nationalist sentiments** The revolt and the subsequent harsh measures by the British authorities *fueled nationalist sentiments* among Indians.
- It highlighted the brutal nature of colonial rule and increased support for the independence movement.
