Good Agricultural Practices (GAP) & INDGAP

As a significant step to empower the farming community of Uttarakhand, APEDA has taken the key initiative for implementation and certification of Good Agricultural Practices (GAP) for over 350 farmers.

- **GAP** - They are some **codes, standards, regulation** followed in farm practices which were introduced in Europe, for the 1st time in the world, to ensure the food safety and quality.
- **Aim** - To deliver to the consumer healthy and safe high quality food and non-food products.
- **4 Pillars**
 - Economic viability
 - Environmental viability
 - Social acceptability
 - Food safety and quality
- **Stakeholders** - Governments, farmers, processors (food processing industries) and consumers.
- **Focus** - It focus at two levels
 - **Farm level focus** - From pre-harvest preparation, production and harvesting including transport to pack house.
 - **Pack level focus** - Post-harvest handling process like washing, grading, packing, storing, etc., including transport to consumers.
- **Potential benefits** - It helps *improve the safety and quality* of food and other agricultural products.
- *It reduce the risk of non-compliance* with national and international regulation, standards and guidelines.
- It also helps in *promoting sustainable agriculture*.
- It will ensure *sustainable yield* with *development of livelihood*.

What do the GAPs foster?

Indian Good Agricultural Practices (INDGAP)

- **INDGAP** - It have been formulated to ensure the quality of our farm produce in the International market.
- These standards are *voluntary and non-discriminatory* to the growers.
- **Certification** - *Quality Council of India (QCI)* conduct voluntary certification scheme for these projects.

- **Institutional support** - It includes National Horticulture Board, APEDA, Spices Board, and National Medicinal Plants Board.

- These institutes *encourage certified GAP* and *offer training* on GAP procedures to equip farmers for globalized marketing.
- **Benefits for Uttarakhand** - This facilitates quality supply of agricultural products such as Mango & Vegetables from the state for exports to European Union (EU), UK, amongst other countries.

Extinction of Bird Species

In a recent study, researchers have documented the extinction of 610 bird species over a period of 130,000 years.

- **3 main drivers** - ***Habitat loss, hunting*** and introduction of ***non-native species*** leads to extinction of avian species.
- Most of the documented extinctions occurred on islands.
- Capturing birds for the songbird trade is a big issue, particularly in Southeast Asia.
- Avian malaria, introduced by people, has triggered large numbers of extinctions in Hawaii, particularly among the endemic ***Hawaiian honeycreepers***.
- **Anthropogenic causes** - Of the 610 species, *90% of them* went extinct at least partially due to humans.
- It coincides with the *spread of Homo sapiens* across the globe.
- The effect of this spread has only increased in the past few years
 - For instance, the ***Kaua'i 'ō'ō, a Hawaiian songbird***, was declared extinct just last year.
- **Ecological impacts** - It includes *loss of seed dispersal*, pollination, the consumption of insects & the recycling of dead material.
- **Biodiversity impacts** - It can *precipitate secondary extinctions* of fruit bearing plants.

*Once one species goes extinct, there will likely be other extinctions or even an avalanche of them which is known as **secondary extinction**.*

A frugivore is an animal that thrives mostly on raw fruits or succulent fruit-like produce of plants such as roots, shoots, nuts and seeds. Approximately 20% of mammalian herbivores eat fruit.

- **Health impacts** - There is *rise in disease outbreaks* due to fewer scavengers consuming carrion

Case study of Dodo Extinction

- **Dodo** - A *flightless bird* that inhabited the Indian Ocean island of *Mauritius*.
- It was finely adopted to the isolated ecosystem.
- **Discovery** - It was 1st encountered by Dutch sailors *in 1598*.
- **Threat** - *Hunting, habitat destruction* and the introduction of *non-native species* doomed it in under 80 years.
- **Extinction** - It became *extinct by 1681*.

Contribution of Nanaji Deshmukh

Prime Minister pays tribute to Bharat Ratna Nanaji Deshmukh on his birth anniversary.

- **Social movement** - He played a key role in the Jaya Prakash (JP) movement against Emergency in 1974.
- **Rural development** - He set up ***alternative rural development models*** based on traditional knowledge in Uttar Pradesh and Madhya Pradesh.
- **Reformist** - He actively participated in the ***Bhoodan Movement*** started by Vinoba Bhave.
- He played an important role in carrying out a *social restructuring programme* in over 500 villages of UP and MP.
- He also carried out reformation of agriculture and cottage industry, rural health and rural education.
- **Educationist** - He started the country's *1st Saraswati Shishu Mandir* (SSM) at Gorakhpur in 1950.
- He founded Deendayal Research Institute (DRI) in Chitrakoot.
- He was also responsible for starting ***India's 1st rural university***, Chitarkoot Gramodya Vishwavidyalaya.

Saraswati Shishu Mandir (SSM) is said to be the educational wing of RSS.

Recognition by Indian Government

- **Nanaji Deshmukh Scheme of construction of hostels** - It is a centrally sponsored scheme was launched in 2014-15.
- It aims to provide hostel facilities to those De-Notified Tribes (DNT) students who are not covered under SC, ST or OBC to enable them to pursue higher education.
- The income ceiling for eligibility is Rs 2 lakh per annum.
- Centre provides a maximum of 500 seats per annum throughout the country.
- **Bharat Ratna** - He was *awarded posthumously* with Bharat Ratna in *2019*.

International Day of the Girl Child

Globally, the International Day of the Girl Child is celebrated on October 11th every year.

- **Historical background** - The United Nations General Assembly passed **Resolution 66/170** in 2011, designating **October 11** as the International Day of the Girl Child.

In 1995, the World Conference on Women in Beijing marked a turning point for advancing the rights of women and girls worldwide where the Beijing Declaration and Platform for Action was unanimously adopted.

- **2024 Theme** - Girls' vision for the future.
- **Significance** - It highlights the importance of gender equality, education, and opportunities for young girls.
- It acts as a reminder to create an environment where girls can thrive, ensuring they are equipped with the tools to lead and shape their futures.

Girl Child Empowerment in India

- **POCSO Act 2012** - It addresses child abuse, with updated rules in 2020 to enhance its implementation.
- **Juvenile Justice Act 2015** - It ensures the care and protection of children in need.
- **Mission Vatsalya** - It focuses on child development and protection, with services like the Child Helpline and the Track Child portal to assist missing children.
- **Track Child portal** - It was launched in 2012 that facilitates the matching of 'missing' children being reported at Police stations with those 'found' children who are residing in the Child Care Institutions (CCIs).
- **PM CARES for Children Scheme** - It supports children orphaned by COVID-19.
- **NSIGSE** - National Scheme of Incentive to Girls for Secondary Education was launched in 2008 to enhance educational opportunities for girls, particularly those from SC and ST communities.
- **E-SAMPARK** - It provides for mental health and medical care.
