Who is Jaspal Atwal?

 $n\n$

\n

- Jaspal Atwal is a Canadian businessman of Indian origin and a Sikh.
- He was earlier convicted of trying to assassinate a Punjab cabinet minister in 1986.

\n

• He is a former member of the terrorist organisation International Sikh Youth Federation (ISYF).

\n

- India declared the ISYF as a terrorist outfit and banned it under the Unlawful Activities (Prevention) Act in 2001.

\n

The outfit is also banned in Canada, United Kingdom and USA.

Why was he invited now?

 $n\n$

\n

 \bullet The invitation was part of the government's new approach. $\ensuremath{\backslash n}$

• It aims at engaging with those who have not indulged in any separatist and extremist activities in recent years.

۱n

• This is primarily to marginalise the pro-Khalistan voices.

• Ministry of External Affairs has clarified that Atwal's name was removed from the blacklist last year.

\n

• Notably, names of more than 100 Sikh individuals were removed when the list was reviewed in 2017.

What is the controversy?

 $n\n$

\n

• Jaspal Atwal's presence at a dinner honouring Canadian PM Trudeau has triggered a controversy.

۱n

• Trudeau indicated that Atwal issue had diverted attention from the focus on trade and cooperation to extremism.

۱'n

• The Canadian PM also hinted at ordering an official inquiry into this.

Why were many NRI Sikhs blacklisted?

 $n\n$

\n

• The Operation Blue Star in 1984 involved Army action at the Golden Temple in Amritsar, Punjab.

\n

• Many Sikhs protested the Army action and were alleged to be involved in "anti-national" activities.

۱n

 \bullet Subsequently they sought political asylum in foreign countries.

\n

• Indian intelligence agencies gave a list containing their names to all Indian embassies and high commissions.

\n

• Consequently, these individuals were denied Indian visas.

\n

- In the early 1990s, Punjab leaders received complaints from Sikhs abroad that they were being denied entry into India.
- \bullet The blacklist which was not in the public domain became known after this. $\mbox{\ensuremath{\mbox{\sc h}}}$
