

## **Z-Morh Tunnel**

## Why in News?

The Z-Morh tunnel is to be inaugurated by the Prime Minister on January 13, 2025 that was started in 2018.

- **Z-Morh tunnel** It is named after the <u>Z-shaped stretch of road</u> that the tunnel has replaced (Z-Morh translates to "Z-turn" in English)
- **Aim** To provide *all-weather connectivity* to the Sonamarg tourist town.
- Location Between Gagangir and Sonamarg in *Jammu and Kashmir*.
- **Construction** It is built under the Mountain glacier of *Thajiwas Glacier* between Gagangir and Sonamarg.
- **Need** At present, the Gagangir-Sonamarg stretch of the road gets blocked by heavy snowfall and avalanches that hit the area every year.
- **Features** It is a <u>6.5 km long 2-lane road tunnel</u> and the main tunnel is 10.8 metres long, with a modified
  - Horseshoe shaped tunnel 7.5 metres.
  - **D-shaped ventilation tunnel** 8.3 metres.
- **Advantage** It takes <u>only 15 minutes to travel</u> the 6.5 km long tunnel compared to hours over the zig-zag road up and down the hills.
- Significance It is to become the 1<sup>st</sup> strategic corridor between Kashmir and Ladakh.
- It will also enhance military logistics and boost tourism and the economy.
- It will help the employment of local youth and boost tourism and allied activities in the area.

Highway will provide year-round weather-proof connectivity to Baltal (Amarnath cave), Kargil and other places in the Ladakh region.

**Zojila Tunnel**, which is under construction will be the longest tunnel in Asia, which cut through the Himalayan range at Zojila Pass to reach the Kargil district in Ladakh.
