

Daily Current Affairs Prelims Quiz 27-04-2023 (Online Prelims Test)

1) *Nagorno-Karabakh* is a disputed territory between which of the following countries?

- a. Azerbaijan and Armenia
- b. Turkmenistan and Afghanistan
- c. Armenia and Iran
- d. Azerbaijan and Russia

Answer : a

Azerbaijan had established a checkpoint recently at the start of the Lachin corridor, the only land route linking Armenia to Nagorno-Karabakh

Nagorno-Karabakh

- Nagorno-Karabakh also known as Artsakh by Armenians, is a landlocked mountainous area in the South Caucasus.
- The region includes the northeastern flank of the Karabakh Range of the Lesser Caucasus and Kura River.
- The peaks of the Karabakh Range conclude in Mount Gyamysh.
- It was claimed by both Azerbaijan and Armenia after the fall of the Russian Empire in 1917.
- The territory is internationally recognized as part of Azerbaijan, but its inhabitants are predominantly ethnic Armenians.
- The people have their own government that enjoyed close links to the government in neighboring Armenia but has not been officially recognized by it or other U.N. member states.
- Armenians are Christians and Azerbaijan's inhabitants are mostly Muslims.
- Azerbaijan had established a checkpoint recently at the start of the Lachin corridor, the only land route linking Armenia to Nagorno-Karabakh.
- The crisis on the Lachin corridor has strained ties between Russia and Armenia.
