Which of the statements given above is/are correct?

- a. 1 only
- b. 2 only
- c. Both 1 and 2
- d. Neither 1 nor 2

Answer : c

### Small Farmers Agribusiness Consortium (SFAC)

- SFAC is an Autonomous Society promoted by Ministry of Agriculture, Cooperation and Farmers' Welfare, Government of India.
- It was registered under Societies Registration Act XXI of 1860 on 18th January, 1994.
- The Society is *governed by Board of Management* which is *chaired, ex-officio, by Hon'ble Union Minister for Agriculture and Farmers Welfare* as the President.
- The **Secretary**, Department of Agriculture, Cooperation and Farmers Welfare is the **ex-officio Vice-President**.
- SFAC is implementing the central schemes of Government of India namely VCA, EGCGS for economic inclusion of small and marginal farmers in agribusiness activities.
- Society is pioneer in organising small and marginal farmers as Farmers Interest Groups, Farmers Producers Organisation and Farmers Producers Company for endowing them with bargaining power and economies of scale.

*85% of farmers in India are small and marginal farmers.*

- It provides a platform for increased accessibility and cheaper availability of agricultural inputs to small and marginal farmers and in establishing forward and backward linkages in supply chain management.
- This initiative has triggered mobilization of farmers for aggregation across the country with ultimate aim of sustainable business model and augmented incomes.

2) Khayal, sometimes seen in the news recently, is associated with?

- a. A classical vocal music that emerged during the Mughal period.
- b. An invasive plant species that causes food shortage for the wildlife population.
- c. An exotic seaweed species native to Indo-Pacific Ocean.

d. A ransomware that targets macOS devices.

Answer : a

## Khayal

- It is the most dominant *North Indian classical vocal music* offers the performer more freedom and a greater scope for improvisation than the older vocal genre 'Dhrupad'.
- **Origin** - Khyal emerged during the Mughal period, when Persian music influences blended with local Indian traditions.
- It came into being after the temple traditions of dhrupad & prabandh gayaki were fused with galbana, the Sufi music (later called qawwali), by the 14th century Sufi saint & musician Amir Khusrau.

4) Consider the following statements with respect to Stability of Altered Forest Ecosystems (SAFE) Project

1. The SAFE Project aims to understand the ecological consequences of forest fragmentation.
2. It was launched in 2011.

Which of the statements given above is/are correct?

- a. 1 only
- b. 2 only
- c. Both 1 and 2
- d. Neither 1 nor 2

Answer : c

## Stability of Altered Forest Ecosystems (SAFE) Project

- The SAFE Project aims to understand the ecological consequences of forest fragmentation.

- This study collated data from 82 datasets, collected across various forest plots over five years, using advanced sampling techniques.
- It was **launched in 2011** that encompasses an extensive gradient of land use intensity, representing a progressive increase in the degree of forest modification.
- Between the logged forest and agriculture land uses, SAFE will experimentally fragment a landscape of logged forest that is being converted to oil palm plantation.
