उपयोग के लिए कृपया केवल प्रश्न संख्या ही लिखें।

① Indian Rapidly growing urban population poses opportunity for nation building. However, challenges persist in development on health, education and equity targets to the urban population. Analyze. (250w)

India's growth towards urbanisation and progress towards developing rural and urban in better way is going to make major changes in Indian type of economy and growth of economy

Urbanisation opportunities for nation building

- ① Jobs for unemployed people in infra areas.
eg: Road constructions, Buildings
- ② Easy job ads in urban areas
eg: Gig workers.
- ③ increase in GDP growth due to less unemployment
- ④ well developed infrastructure gives better outer strength to Country

UPSC

उम्मीदवारों को इस भाग में नहीं लिखना चाहिए।
Candidates must not write on this margin.

- leads to attract the foreign companies
- ⑤ Easy access to Healthcare centres, schooling etc for children better future
 - ⑥ Better knowledge learning opportunities will be available
eg: computer skills that are easily acquirable in urban areas than in rural.
 - ⑦ Encouragement of new startups and innovations

However, even after having many advantages there are many aspects that has to be maintained to make it a real growth of country

- ① New migrants get very less chance of development due to domination.
- ② Increase of slums because of urban growth
- ③ Health benefits are always money biased.
Richer people will always have better availability

of getting than poor

④ leads to many disease spread because of slum emerging.

⑤ Major impact on environment due to heavy urbanisation, industries bce of industries, Automotives etc.

⑥ this environment again trigger the poorer section of society.

eg: floods will mainly affect poorer sections due to the living areas

But there are few ways where government and people can reduce them and change it

① Better conditions for migrants with housing and schemes.

② Better health care facilities and increase in government hospitals.

③ less usage of fossil fuel burnings.

India have an ambitious project like CITIES-2 where working with its full efforts but it should also make sure equity in society.
