Do you think that the outcomes of Beti Bachao Beti Padhao Scheme ensured gender parity in the country? Analyse

Soln

Beti Bachao, Beti Padhao Scheme is a Campaign by Govt of India (GoI) to improve the sex ratio, reduce the gender gap, to empower women & overall development for women or girl child.

Reason for this Scheme!

→ to generate awareness and improve the efficiency of welfare services intended for girls

→ abortion or female foeticides rate were constantly increasing

→ disbalance b/w the sex ratio

~~est~~ In 2001 it ~~was~~ sex ratio was 928 : 1000 (girls : boys)

and now in 2011 it was 908 : 1000 (girls : boys)

& if it continues then the ratio fall below 850 : 1000 (girls : boys).

\* Benefit of the Scheme!

→ girls were provided and promoted to get education, social mobilisation, Communication Campaign. etc

→ the issue was he started resolves as it gain attention of people and

public.

### ★ Outcome of the Scheme!

- The ~~ratio~~ gender gap for education started reducing.
- Acc. to report: In 2014-15 the girls ratio was 918 : 1000 and in 2019-20 the ratio went to 934 : 1000 and will continue to rise.
- Women Empowerment has also increased as compared to
- Earlier in 2014, women participation was 13% and in 2020 it raised to 32%.
- Expected to grow more.

### Way Forward!

- Need to expand the coverage of Scheme from Chhattisgarh, MP, Andhra Pradesh etc
- The Need to push more money to motivate to join their business venture and start-ups.
- Can be supported to in the field of R&D.
