

The centre for bay of Bengal studies can enhance the India's overall framework for maritime engagement. Discuss (200 words) (10m)

CBS [Centre for bay of Bengal] lauded at Nalanda University after the BIMSTEC summit for improving scale of Bay of Bengal studies

(CBC) enhance India's maritime engagement

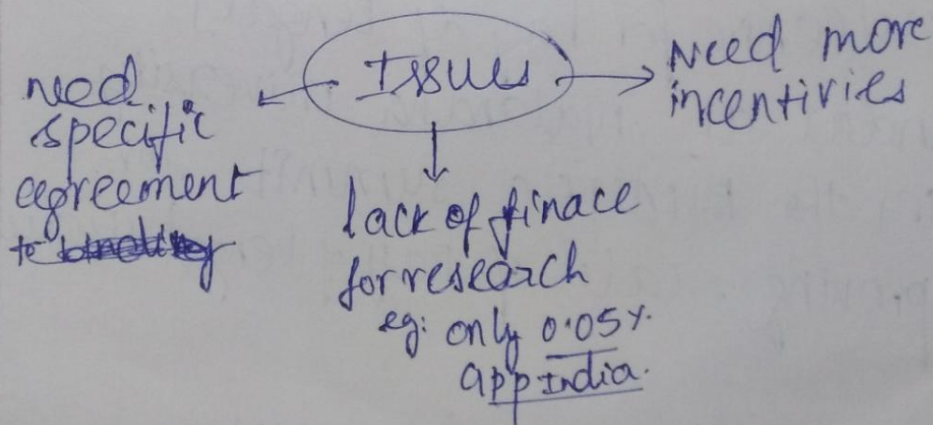

① Provide specific research centre, scholarship activity - makes Bay studies course.

② focus on non-traditional problem studies led to cope up present times

eg: Climate change affects in marine ecosystem - World meteorological dept
coral ~~loss~~ temp ~~will~~ 1.5°C by 2020

③ For providing alternative livelihoods for fisherman.

eg: bottom trawling affects marine resources

way ahead

① BIMSTEC engagement for neighbouring countries to finance Bay of Bengal.

② increases the research finance

③ Give subsidies to fisherman
↳ reduces the exploitation in marine.

By ensuring this CRs will be bend with some agreements will give good results.
