

Q - The Recent Meeting Among Foreign Ministers in the Middle East suggest that is Marching towards an integrated Regional Policy. Elaborate.

Ans →

Regional Integration - It is a process in which Neighbouring Countries enter into an agreement in order to upgrade co-operation through common institutions & Rules.

Recently the Foreign Minister of India, the US & UAE & Israel held their 1st ever virtual conference to enhance co-ordination & economic ties across the West Region ~~India, USA, UAE & Israel~~ ~~do together do~~ ~~New Group~~

- India has several Reason to Marching towards an integrated Regional policy
- India wants to focus on post COVID-19 recovery [way to Boost trade & ensuring supply chain].
 - Resilience & co-operation in science & Technology.
 - Beyond trade there are many areas where India can collaborate with Israel & UAE. Areas ~~are~~ such as semiconductor Design & Fabrication to space Technology.
 - Discovery of Natural gas all along the eastern Mediterranean
 - growing Role of the Gulf Countries - UAE, Qatar & Saudi Arabia.
 - India & Israel also agreed to mutually

Recognise each other's vaccination process

- The Indian govt is also wanting to resume a number of trade Negotiations.
- Conflict with china can be Major issue for India ~~that way~~ & India wants to become self Reliant & wants to end Dependency on china.
