

India Switzerland ties

Next year India - Switzerland will commemorate 75th anniversary of signing of ~~India~~ ~~Switzerland~~ Treaty of Friendship.

Recently state secretary of Foreign affairs of Switzerland emphasized Switzerland's commitment to further advance ties with India.

PRIORITY

Like Make In India, Digital India and Switzerland's 1/3rd manufacturing locally competitve in global market. They also continue to invest in fin tech, Blockchain, Sustainability and India leading Industry 4.0, Switzerland investors has huge potential to unlock their growth rate.

Switzerland also emphasised ~~on~~
European free trade Association which will
connect india with non EU members,
with trade made cheaper by INSTC
Corridor. As Switzerland taking leadership
in UNSC non permanent group, they
convey their willingness to work closely
with India with global geopolitical churn
increasing in 21st century and for
pushing institutional reform at UNSC
which India is committed to.

Way forward,

Switzerland being global Digital
leader, India can benefit engaging
starting from climate change, Digital transformation
and in terms of geopolitical priority can
~~for~~ garner support if swiss and join
Nuclear Supplier Group if a deal is
struck among members.
