UPSC

Answer Questions in NOT MORE THAN the Word Limit specified for each in the Parenthesis.
Content of the Question is more important than length.
(Specimen Answer Booklet - For Practice Purpose Only)

उम्मीदवारों को इस हाशिए में नहीं लिखना चाहिए
Candidates must not write on this margin

Regional Connectivity in Bay of Bengal nations will help India to handle chinese geo-political influence. Do you agree with this view? Explain.

In view of Increasing Chinese aggression to its neighbour states including India, it is necessary to increase regional connectivity which counters china's aggression.

Historical view: India, Nepal and Myanmar existed once as single state and share same religious value even today.

Friendly trades: India being a huge market profitted its neighbours production. Hydropower trade between India and Bhutan, India ~~being~~ being fourth largest trade partner of Bangladesh are very good examples.

Humanity & timely help: India being a pharmaceutical hub extended its helping

hands to its neighbours such as Maldives giving COVID-19 vaccine at needed time. Maldives being a important port at Bay of Bengal, which includes more than 80% of trade in BoB passingly is important to counter china's policies.

Defence technologies: India shared its defence equipments with its neighbours which indeed to counter china.

Though China's Belt and Road initiative is more stronger, it is necessary to keep regional connectivity to counter china and its aggressive policies.
