

3. The existence of volatile situations in Ladakh has to be handled effectively by the centre. Do u agree? Comment.

The clashes at the turn of actual control in the Ladakh region is an alarm call to the existing security challenge. Proactive measures are needed by the government to handle the issue.

Problems in Ladakh

The clashes at Gaulwan has eroded the trust of Chinese and a recent report highlights that India lost access to 26 of 65 patrolling points in the Depsang bulge region.

The Chinese have blockaded the Depsang bulge region comprising of 950 km².

No uniform command

The loss of actual control is maintained by Indo Tibetan border police.

under home ministry and army under
Defence ministry and special frontier
forces under the cabinet secretariat.
Unlike the line of control is manned
by Border security force.

Demand for Sixth schedule

Post the abrogation of article
370 the Jammu region is devoid
of elected representatives. The region
is inhabited by 95% of tribal
population. The growing demand
for sixth scheduled cannot be
ignored.

Future

Charting out National security
strategy for Jammu region on the
line of cold start doctrine
and fulfilling the aspirations of
locals can see peace in the region
