

States schemes provide vast scope for the improvement of Pradhan Mantri Matru Vandana Yojana to achieve the desired targets. Explain

The Pradhan Mantri Matru Vandana Yojana is a maternal health scheme which aims to provide direct cash transfer to lactating & pregnant women an amount of Rs. 5000/- per month.

But being a maternal centric scheme it has hardly achieved in long run; the scheme has not been upgraded to next level rather than it is demoted & clubbed along with other usual women schemes. eg: Beti Bachao, Beti padho, gender budgeting etc.

States achievements

- MAMATA Corissa) [Direct Beneficiary Transfer]
- KCR Kit (Provides Baby products)
- MRMBBS - (Fund provision scheme)

MAMATA has been on constant order on the number of mothers helped per year. Opposite to PMMVY it increased the number of ~~poor~~ women under its Roof.

State Schemes provision:

- Provision of baby products for better growth & health for Mother & Child
- Increase in Scheme not where more will be benefited
- Buddy System in Sampurna Scheme in Assam. Shall be adopted

These States Scheme has the ~~blue~~ blue print for the upgradation & development of the PMMVY scheme. which shall help in bringing the IMR, MMR, NMR which prevails in India. This shall help India achieve ~~the~~ its Sustainable development Goals ~~and~~ ~~and~~ ~~and~~.
