2. Philanthropy, private capital along with government policies can be eventually scaled to alleviate poverty in the country. Analyze...

"Overcoming poverty is not an act of gesture but of charity, but an act of justice" - Nelson Mandela

quote suits well for India as it reaches 75 years of independence.

Poverty since Independence

India pulled out 140 million out of poverty between 2004 and 2011. through concerted efforts. But still yet to fulfill destiny.

Covid pandemic has pulled 75 million to poverty.

Policy Support

Increasing globalization and government's liberal policies has lead to job growth - >300mn moved from poor to middle class [upward mobility]. But it helped only those with basic essential facilities. millions other are without any means to move out of poverty.

Collaboration:

1. philanthropic institutions & private capital can catalytic innovation and solution to bridge market linkage.
eg: successful institutions like TATA, Azeimprosi - enabled
