

The combined effect of Jal Jeevan & Swachh Bharat mission are gradually improving people's well being
Elaborate

The dual policy of the Indian Government has shown an Remarkable change in the lives of the common man till the last citizen which has resulted in a multi dimensional development.

The Swachh Bharat & Jal Jeevan has been designed in such a way that it is complimentary to each other.

i) women Empowerment:

↳ Has significantly reduced the work of women from fetching water now this time can be diverted to more viable Economic Jobs

ii) Sanitation:

will improve the basic cleanliness & Public Health. more than 4 tonne of waste is processed at in situ itself ~~more~~

iii) Proper Disposal:

Before ~~to~~ the waste directly joining joining sea now $\frac{1}{3}$ rd of it is processed & Released

iv) Security:

more than 93% of the women have said that they feel more safe & secure with the new Swachh Bharat toilets.

The wellbeing improved will provide the opp. opportunity of developing oneself Economically, Socially & political which aids India's Endeavour.
