

1. Discuss in detail about the Competition Commission of India imposing fine on Google and its implications (200 words).

Competition Commission of India
will imposing ~~the~~ ^{fine} to the Google

~~Competition~~
Google's App

The Google's services (APP) will be available in ~~year~~ 95% of new mobiles which are Google's APP are preinstalled manner AS per a law that is illegal because some of the customers are since the Google APP and some one are not

likely the APP and that APP will
 could not re-install any more in
 mobile phones that is violation

in this thing CCI is only thing
 is regulate the Google crisis

and also customers privacy

so only that Google will fined

a CCI

way ahead:

* CCI will regulate the
 pre installed and installed app
 in new mobile phones.

* CCI want to protect the
 customer privacy also.
